

Assignment 1: (Individual/digital submission to my Morgan email)

Find and report four Ergonomics/Human Factors graduate programs in United States.

Regional Assignments:

| Your last name begins with | Region assigned |
|----------------------------|--------------------|
| A-B | Eastern Time Zone |
| C-L | Central time Zone |
| M-O | Mountain Time Zone |
| P-Z | Pacific Time Zone |

Your report must contain the name of the university, department, and program. Provide URLs to program main page, lab and research divisions/labs if they exists. Identify the number of faculty, students, and labs if you can find them. Identify the main research going on the school.
